RE: LAST DAY TO PAY SUMMER I 2018 FEES WAS FRIDAY, MAY 25, 2018

As an important reminder, students who do not pay fees by Friday, May 25, 2018 will be administratively dropped from Summer I 2018 courses. (See memo sent Friday: [here](#).)

All payments must be made at the Bursar's Office (601-877-6388) in WWACB 2nd Floor by 5PM CST. Payments are posted nightly to student accounts. Students should monitor their balance due via the student portal. Students with delayed financial assistance and definite means to pay may petition (24 hours, 48 hours, 72 hours) that their classes be retained → click: [here](#) or go to goo.gl/HCFv9Z.

Students are to take all reasonable steps to pay fees and get "registration complete." Instructors are without authority to allow students who are dropped from the class the opportunity for continued enrollment or grade assignment. Students who are dropped for non-payment of tuition/fees are not legally eligible to continue to attend classes. Blackboard access will be blocked. Further, no guarantee attaches that students will be able to get back into the same classes from which they were dropped. In fact, it will be highly unlikely.

Under/graduate students should contact instructors/advisors or Graduate Studies (601-877-6122), respectively.

All the best.
